REGAL STONE PRO® TRI-PLANE ST

PRODUCT NUMBER # 110150

- Beveled split showcases fractured rock and the veining and contrast of blended colors without bulges, craters, or gaps
- Rear lips ensure precise setback and eliminate the material and labor costs of connectors
- Made of durable concrete with iron oxide pigments that resist fading in extended UV exposure.

Our rear-lipped SRWs includes a comprehensive assortment of block heights, depths, and face styles to satisfy virtually any structural or aesthetic requirement. A proven block design with an extensive record of field performance, comprehensive support and expertise, and the experience accrued in manufacturing over a billion retaining wall units, our rear-lipped SRWs have become a trusted favorite of specifiers, installers, and owners alike.
