FIND YOUR AUTHORIZED CONTRACTOR TODAY

Our goal is to provide you with quality paver & wall products for your project. We understand that it's a large investment. If you need help with finding the right contractor for your project, we can help. Our goal is to recommend qualified, knowledgeable, certified hardscape contractors. The hardscape contractors found on our Keystone Hardscapes Authorized Contractor list have shown a proven knowledge on the basics of paver and retaining wall construction and installation. Each company listed has at least one individual on staff that has attended our one-day training course and passed our Authorized Exam.

While we try our best to recommend qualified contractors for your project, Keystone Hardscapes does not guarantee the workmanship of the installer. Please ask your selected contractor for references and about any warranty or guarantees they might provide on workmanship.

Simply scan the code to connect with a contractor in your area

FOLLOW THESE STEPS TO SELECT THE IDEAL CONTRACTOR TO BRING YOUR PROJECT TO LIFE.

STEP ONE

It's always a good idea to interview several contractors and find the best match for your project and personality. Make sure you have a good rapport with the person and communicate your wants and needs.

STEP TWO

Once you decide on the work you want to complete, confirm that the contractor has experience by asking for photos, references, or examples of other projects they have completed to make sure you feel confident with their quality of work.

Make sure to ask if they are an Keystone Hardscapes Authorized Contractor.

STEP THREE

Once you award the project to a specific contractor, obtain a written contract of the work to be performed. Make sure you understand the scope of your project and if changes could result in additional costs.

STEP FOUR

Once your project is complete, we would love to see the finished product! Photos can be submitted to photos@keystonehardscapes.com. Photos may be used in social media or future catalog publications.

UTILIZE OUR NETWORK OF AUTHORIZED CONTRACTORS TO BUILD YOUR HAPPY PLACE

We have a valued distributor network who are knowledgeable about our products and have our products on display. We take great pride in providing in-depth regional training programs for contractors to become Authorized Keystone Hardscapes Contractors.

WHY CHOOSE KEYSTONE HARDSCAPES?

AMERICAN OWNED AND MADE

Choosing Keystone Hardscapes is an investment in quality, durability and reliability. All Keystone Hardscape products are proudly manufactured in the USA, meaning they adhere to rigorous production standards and are made with premium materials that ensure long-lasting performance. For those who value local production and dependable quality, Keystone Hardscapes is a clear choice.

UNRIVALED QUALITY

Keystone Hardscapes is synonymous with quality. Our products are designed to withstand the elements and heavy use, from pavers and retaining walls to outdoor living accessories. Each product undergoes stringent testing for strength and durability, ensuring that your investment will remain beautiful and functional for years to come.

EXPERIENCED PROFESSIONAL ADVICE

Keystone Hardscapes offers expert guidance at every step of the project. With years of experience in the industry, the company has cultivated a team of specialists who are not only knowledgeable but also deeply committed to helping clients achieve their design and installation goals. Keystone's experts provide advice and tailored solutions, ensuring every project meets the highest standards of design and functionality.

PAVER COLLECTION

Keystone Hardscape pavers offer unmatched durability, versatility and aesthetic appeal for any project. Engineered to withstand the elements, our pavers are crafted from high-quality materials that ensure a long-lasting, low-maintenance solution for homeowners and commercial spaces alike. With a range of colors, textures, and patterns, we provide endless design possibilities, allowing you to create beautiful, functional outdoor areas that seamlessly blend with any landscape style.

// Keystone pavers exceeded our expectations! They look amazing, are easy to maintain and have made our backyard the highlight of our home. We love the quality and the compliments we receive! //

EROSION & PERMEABLE COLLECTION

Keystone Hardscape erosion control and permeable pavers help protect your property by reducing runoff and minimizing erosion. Designed to manage water naturally, these pavers keep outdoor spaces looking great while supporting a healthier environment. Delivering the strength and style your project demands.

“As a contractor, I like recommending Keystone Hardscape’s permeable and erosion control pavers because they solve drainage issues while still giving my clients the clean, finished look they want. They’re durable, easy to install, and make me confident the project will last.”

WALL COLLECTION

Keystone Hardscapes walls are a premier choice for building strong, beautiful and functional outdoor walls. Known for their exceptional durability and innovative design, Keystone walls provide the perfect solution for both residential and commercial landscaping projects. With their advanced technology, our walls offer impressive stability and are engineered to handle a range of applications, from garden borders to large-scale retaining walls that control erosion and create usable space.

// The quality of Keystone wall products is exceptional - reliable and beautifully crafted. They have added both strength and style to our outdoor living. //
